SOURCE

This field will display the source for where the insurance information on SEARCHS was received.

VERF DATE

This field will display the source for where the insurance information on SEARCHS was received.

TO SELECT, ENTER D=DELETE ALL SEARCHS DATA

When you are finished resolving the changes from SEARCHS, enter “D”, press ENTER and press SHIFT+F4 to confirm. This will delete your alert from the ALER (Alerts) screen. *If SEARCHS is sending additional address or medical information, you will not see this message but rather “F8=SEE MORE DATA” – press F8 to see the next address or medical details to resolve.*

Additional Information

None.
